
Property Listings Agent

Freelance | Contract | Pay Per Result | Uganda

About the Role

Makaug.com is Uganda's property platform connecting landlords, agents, buyers and renters nationwide. We're looking for motivated people to help grow our listings by signing up property owners and agents in the field.

What You'll Do

- Find and sign up properties for rent, sale, or student accommodation
- Help landlords and property agents create profiles on makaug.com
- Guide them through the full listing process — photos, details, and going live
- Be the link between property owners and the platform

What We're Looking For

- Good local contacts — know landlords, agents, or anyone in property
- Understands how the property market works in their area
- Confident communicator — able to explain things simply
- Self-motivated and honest — every listing is quality-checked

Requirements

- Smartphone with a good camera
- Reliable internet connectivity
- Based in Uganda

■ **UGX 5,000 per successful listing that goes live — no cap, no limit.**
